Re: Reform Party of the United States of America
ID No. C00331314

RECEIVED
FEC MAIL ROOM
2001 JUL 26 P 1:58

Review of our records shows that a disbursement to Cooter Mangold made November 8, 2000 in the amount of \$10,000 by the Reform Party of the United States of America was actually on obligation of the Reform Party 2000 Convention Committee ID No. C00349324. This reporting error was discovered by the Treasurer of the Reform Party 2000 Convention Committee, who has properly reported this amount on the Reform Party 2000 Convention Committee FEC Reports as a loan from the Reform Party of the United States of America to the Reform Party 2000 Convention Committee.

Attached are Amended Reports for the Reform Party of the United States of America correcting the reporting of this loan for the 30-Day Post Election Report following the General Election of November 7, 2000 and for the January 31, 2001 Year End Report for Calendar Year 2000.

Very truly yours.
